A DAY OF SUN
AUGUST 7, 2017

Mikey's Way Foundation helps children cope with the isolation, boredom and fear associated with the treatment of cancer and other life-threatening illnesses. It is the goal of the Foundation to help connect every child with their friends, family and school, enabling them to cope with extensive medical treatment and the separation they must endure. Our "Mikey's Way Connection Cart" circles the pediatric floors of the hospitals we serve, giving away all forms of internet-ready electronics. Since late 2005, we have been able to reach over 5,000 seriously ill children across the country.

Our **Drive for Dreams Eighth Annual Gala and Golf Tournament** will take place this year on *August 6 and 7, 2017*. Join us for this two-day event at *Brookfield Country Club* featuring an outdoor gala filled with exciting auction items, great food and comedy by Chris Monty! Then hit the links and take on one of WNY's most prestigious golf courses, all while supporting our mission to help kids with cancer.
